1,000	\$3,240 + GST
2,000	\$4,180 + GST
5,000	\$6,690 + GST

KEY:
pp – printed pages. An A4 sheet of paper printed on both sides is described as 2pp.
gsm – grams per square meter. Used to describe paper weight/thickness.
stock – paper type described mainly by weight (gsm) and type (eg matt/gloss alt).
celloglaze – a thin clear glossy film over the print. Enhances colour and protects from scuffing.
saddle-stitched – stapled. Generally two staples are used to bind catalogues under 50 pages thick.

Pull up Banners

Progress Printing can deliver a pull up banner to service your requirements on short notice. From the budget-conscious Deluxe model through to the top-of-the-range Q-Series Ultima, we have a banner to suit every application.

Its popularity stems from its ability to provide instant presence at trade shows, presentation days and product launches. Its rugged lightweight design allows it to be easily transported in the boot of your car or even as carry-on luggage on aircraft.

250	\$4,980 + GST

The above prices include all artwork set-up costs and free delivery anywhere in Australia.*

Green Bags

A range of environmentally friendly carry bags for every situation. Instead of using plastic bags which end up as landfill, why not try a bamboo bag? As one of the world's fastest growing plants, bamboo is not only renewable, it is also biodegradable! Alternatively, try our bags made from organic cotton or recycled plastic. Either way, you can be assured you are doing the right thing.

GOOD: The Bamboo Shopping Tote

- Ideal for trade shows, sample bags, library bags and environmental projects
- Bag size – 370 x 420mm
- Print area – 300 x 320mm
- 1 colour print, 1 position
