Mark Barry of **BS Sound PA Hire** has worked successfully as a sound engineer & PA operator in Melbourne since 1981.

After more than 20 years of experience, Mark knows what works and what doesn't, trust **BS Sound** for the most appropriate equipment for your event.

"Dear Mark, many thanks for a wonderful job as usual. The artists & audience were very impressed with the quality of the sound"

Dianne Le Quiniat,
Kilmore Celtic Festival.

"I will definitely be hiring gear from BS Sound from now on.... I thought Eddie (sound engineer) was FANTASTIC- what a lovely guy and what a great job he did in the warehouse! He made us sound really good even though we were surrounded by 4 massive cement walls!"

Cindi Connell,
Soul Contention (10-piece R & B band).

From Classical to Rock, from Jazz to Punk. **BS Sound** has the expertise, the experience and the equipment to get it right, first time every time.

Any sort of venue, from the great outdoors to the smallest cafe.

We can hire you the appropriate sound system.

Our comprehensive range includes:

- Compact, easy to use PA systems that you can pick up and assemble yourself.
- Comprehensive PA systems that we will deliver, set-up and operate.
- Components such as microphones and effects are also available to hire separately.
