

The Range and styles of Murano Glass Venetian Chandeliers shown is just an introduction to what we have available. Customise your chosen style with your choice of Main body and / or trim colour and change the height and width if desired. This flexibility in design ensures that regardless of the colour of your décor or size of the room, there is a size, colour and style of chandelier for EVERY situation - It's that simple!

**MURANO ART GLASS AUSTRALIA**

*The Largest Murano Glass dealer in the World!*
