†Weekly rental rates are based on 36 month contract terms. ∞ Refers to the minimum rental payable before the goods can be upgraded. After goods have been rented for 18 months they can be upgraded for different goods, at which time a new rental agreement for the upgraded goods will commence. Rental is available to approved applicants only and is then subject to terms and conditions. Rental payments are to be made monthly in advance. Terms and conditions apply. Rental is provided by 'inRent'. 'inRent' is a registered trademark of Walker Stores Pty Ltd (WSP/L) ABN 77 371 866 846. Details correct at time of printing.

WD Red™ Hard Drive – The Ultimate Choice  
for NAS systems that have 1-5 drive bays

WD Red™  
SATA 6 Gb/s NAS Hard Drives

## The right drive for home or small office network attached storage systems.

Designed and tested to meet the unique system requirements of home and small office NAS environments, WD Red NAS hard drives are energy efficient with cool operating temperatures and feature highly reliable performance, including error recovery controls. Available in 1 TB, 2 TB and 3 TB capacities.

### Compatibility

- Designed and optimized for home and SOHO NAS systems.

### Reliability

- Built for 24x7 environments
- 3D Active Balance feature reduces vibration and improves overall system reliability

### Performance

- Features WD NASware technology that balances performance and power. Mitigates data loss in the event of a power outage and prevents the drive from falling off of the RAID during a long error recovery
- Improved data transfer rates and 2X faster DDR

### Support

- Backed by a 3 year warranty
- 24x7 customer support hours
