

Locations

Our head office is located at Nerang on the Gold Coast. We also have an office at Shailer Park for clients located closer to Brisbane.

Owner/Director, Sharon Plant, visits business clients at their premises saving them time and ensuring we have a great understanding of the clients business and needs.

Our technology and infrastructure allow us to operate a paperless office providing services to our clients Australia wide.

Our Experience

Staff at Plant & Associates have a wide range of industry experience, from construction and property development, to medical and child care centers. Retirement and estate planning, asset protection and tax minimization through structures are our forte.

Our commitment to you

It is our mission to provide our clients with expert advice. We endeavor to ensure our clients queries are acknowledged and acted upon in a timely manner. Our technical knowledge and skills will be maintained continually so that we can make available to our clients, proactive solutions to create and maintain their wealth.
