

# Products Information Sheet

## Metagenics Supplements:

## Posture Pole:

It's natural that you're probably going to get pain when you slouch over a desk or ride hunched up over the handlebars of your bike. The problem is that the load on your neck and shoulders **DOUBLES** for every 2-3 cm your head moves forward! That's going to give you pain!

In just 5 - 10 minutes your body structure relaxes and realigns itself.

Price: \$86

Price: \$28.50

### Magnesium Miracle Soak:

Magnesium is a vital mineral that can be found in human body. Magnesium is an important element for many functions of the organism, and it is known to be the second most found substance of our cells in the body. Magnesium is needed by everyone of us and by any cell in our body, and recently it is shown that magnesium can help in different kind of treatments. If the cells in the body have a lack of magnesium, they might develop illnesses like diabetes, heart problems, asthma, hair loss, digestive problems, and many others. The most well known condition caused by the lack of magnesium in the body is premenstrual symptoms, depression, fatigue syndrome and toxic pregnancy. Magnesium is actually responsible for all the functions inside the human body.
