

Proposal: Offering competitive quote & reliable service for your waste paper & cardboard collection disposal needs.

Dear Manager and Business Owner,

Your business might be one of the **50,000+ organisations** in Sydney paying more than you should for your waste paper and cardboard disposal service. **Over 70%** of the materials in your general waste bins are recyclable and by disposing them correctly you can save hundreds of dollars per month on your waste disposal bills.

Whether you are carrying out an office clean out or a shop fit out, most likely at the end of the project you will generate considerable amount of cardboard. If you discard them in the general waste bins it will cost you \$250 - \$300 for a one-off collection or \$30-\$60 for each regular service. Alternatively you may choose to recycle with Enviro Paper Recycling and slash your waste bills by over 70%.

If you are already recycling and wanting to find a **more reliable and punctual service provider** who also offers a **more competitive rate for your disposal service**, contacting Enviro Paper Recycling is the answer.

Our Service Schedule & Pricing

- Casual or One-Off Collection : \$50.00 + GST/collection
- Regular Fortnightly Collection Service : \$15.00 + GST/collection
- Regular Weekly Collection Service : \$12.00 + GST/collection

Cost Savings Comparison

By recycling you will see real cost saving of over 70% on your waste disposal bills.

General Waste Collection Service on Average will cost your business:
\$45 per collection (Regular) or \$275 per collection (One-Off Service)

VS

Recycling Collection Service with Enviro will only cost your business:
\$12 per collection (Regular) or \$50 per collection (One-Off Service)

Our Service Guarantee

- **Efficient & Reliable Service:**

Enviro has a fleet of compactor trucks servicing thousands of businesses in Metro and Regional Sydney from 7am to 7pm, 7 days a week. Whether you are in Sydney Metro or Regional, your collection service will be allocated to a driver within 24 hours after receiving your bookings.

- **Flat Packed and Loose Collection:**

Many businesses such as cafes and shops do not have the room for installing any permanent recycling bins. At Enviro we offer clients the flexibility for collecting loosely flat packed cardboard boxes. Factories and distribution centres also have the flexibility of flat packing the boxes on pallets, ready for collection.

- **Flat Rate No Hidden Cost No Exit Fees, just fast and reliable service:**

Unlike many other recycling companies who lock you in a fixed term contracts with many hidden costs such as exit fees, environmental levies, account administration fees and so on. At Enviro what you see on our website is what we charge. No hidden costs, no exit fees, no gimmicks. Just fast and reliable service, at the lowest price.

Customer Testimonial

“As a construction company we generate mountains of cardboard wastes at the end of each project and Enviro has been helping us with the disposal of the cardboard for the last 10 years! Enviro not only is the cheapest in Sydney, they are also very reliable and friendly! We are very happy with their service!” John from Skye Construction
