

# **AGRADE** ELECTRICAL

[A Grade Electrical](#) is a growing electrical contracting company based on the northside of Brisbane. We are also Master Electricians and that ensures our quality and workmanship is at the highest standard. We have over fifteen years experience as electricians in Brisbane in wiring homes, upgrading switchboards and all other electrical work.

We also design, supply and install grid connected solar systems and the owners of the business are hands-on with all aspects of the electrical projects we complete and take an active role in ensuring superior results in every job we undertake.

We have a great team of electricians and support staff in Brisbane with multiple vehicles on the road, so our response time for most jobs is very quick. We pride ourselves on having happy customers at the end of the job with great results. The electrical installation looks great, is very functional and above all complies with all regulations.

A Grade Electrical pride themselves on their company culture and customer values:

- **Honesty:** To myself, the team and the people I deal with.
- **Integrity:** Upholding the values of the team, the electrical company and my own.
- **Reliability:** Say what you're going to do. Do what you say. We keep our promises.
- **Adaptability:** To change when necessary for the greater good.
- **Organization:** Ready to deal with any issues that arise fairly and with efficiency.
- **Growing:** To never cease learning. Learn something new every day.
- **Balanced:** Professionally and personally.
