Employee Of The Month

This is Steven Gaff, September 2014 Employee of The Month. Steven is our Leading Hand and has been a valued Employee at Master Cabinets since the end of January 2014 . In that time he has well and truly stamped his mark on us all and works extremely well both personally and as part of a well oiled team. He has recently been putting in a lot of extra hours in order to keep our workflow going out of the door on time, for which he is to be commended. Thank you Steven and keep up the good work.

New Employee

This month we welcome Julie Goodall to Master Cabinets. Julie has joined the drafting department and we look forward to a long and happy alliance.

Master Cabinets News

We have had a couple of bumper production months with August Sales equalling our highest ever, and September was pretty good too. As we enter the last financial quarter of the year we remain busy with lots of work in the pipeline to keep us on our toes.

Our team of experienced and well trained Cabinet Makers ensures that the finished product is always of high quality..... work we can certainly be proud of.

As mentioned in last months newsletter our Delivery Truck is now doing the rounds on the streets of Perth, we have named her Big Bertha..... isn't she a beauty!!

Walter Ferrari

Client Of The Month

Samson Homes

September's Client of The Month goes to Peter at Samson Homes – Always a pleasure to deal with and he keeps coming back for more.... Thanks Peter for your ongoing support.

A small token of our appreciation is on its way to Peter.
