Unit 7/57 Buckingham Drive Wangara WA 6065 Tel (08) 9309 3691 Fax(08) 9302 1347
Email: admin@mastercabinets.com.au WWW www.mastercabinets.com.au

Monthly Offer – August 2014 **Free Sink and Tap with your** **kitchen from our standard** **Crestwood suppliers range.**

This is Justin Ferrari, July 2014 Employee of The Month. Justin works in our Machine shop and has recently done a great job filling in for his Supervisor while he was away. Not only did he produce more than we had averaged before but he also successfully trained his replacement on the Edgebender to outperform his average production as well.

Client of the Month

MVG Constructions

July's Client of The Month goes to MVG Constructions – A big thank you to Mario for your ongoing support.

A small token of our appreciation is on its way to Mario.

Proud To Be Associated.

Master Cabinets – News

All of the fuss of the End of Financial Year is behind us and we are swiftly moving along with a bright start to 2014/2015.

We have lots of things to look forward to with the development of our new office suite at our premises in Wangara coming along nicely. We are planning to host another function when the offices are completed and hope to have as much fun with our valued clients as we did at our birthday celebrations last year :o)

We have also just purchased a new truck from Melbourne which is, as we speak, being transported across the Nullabor to its new home in WA. The new truck will be used for our Deliveries.

We are in the process of updating our Newsletter format and plan on launching a new html format in time for the August edition which will be more interactive and user friendly – watch this space.

Walter Ferrari
