

Betts – Fashion Forward Shoes

At [Betts](#), we understand shoes. We know that the right shoes not only complete an outfit, but add another dimension to it.

As we have been in the fashion industry for years now, we have grown to understand the importance shoes have on an individual's life. Because of this, we have our design team travel the globe in search of inspiration to create a unique and fashion-forward collection.

Over the years, you have talked and we have listened. We understand that customer feedback is a vital part of creating a collection that ticks all the boxes of the customer.

At Betts, we have created a diverse line of shoes and accessories for both women and men and take pride in our stunning collections.

BETTS HISTORY

We have a lot of history, 120 years of it, in fact! We are a proud WA owned and operated company and have over 110 Betts stores nationally. Our reputation has been built over many years and is a reflection of our outstanding customer service and high quality product delivery.

At Betts, we are the perfect combination of chic style and value for money. We believe that stylish shoes should come at an affordable price because really, who doesn't want a stunning pair of shoes at a great price?
