

Carraresi - Nespresso Capsules

Who better than an Italian team can offer you the best "Made in Italy".

We are specialized in the sale of coffee, cocoa and tea. The choice of raw materials and the care of a higher quality are guaranteed by an Italian family operating in Italy.

[Carraresi](#) says "NO" to the industrial production. We prepare entirely our product with the Italian traditional way.

We verify the experience and competence of our artisan coffee roasters to which we rely, holding long-term contracts based primarily on trust and professionalism.

We personally take care of the entire production process, from the production to the transport, from the retail to the wholesale.

Carraresi born through the close link between Italy, Australia and the mining sector. Taking care of our customers means for us offering a good product, understanding the way of life to give all the assistance and the reliability of on always excellent product.

Only those who know the weight of hard work knows how important is to relax with a good cup of coffee with a sincere aroma of good quality.
