## Instant toilets & showers – your business is our business

The portable sanitation specialists in Australia are clearly Instant Toilets & Showers. With an unparalleled range of products to suit any situation, the team at Instant Toilets & Showers knows what they are talking about. From a single chemical toilet for a building site, through to a self-contained toilet or ablution block for remote locations, Instant Toilets & Showers have the right products in stock in Western Australia.

Instant Toilets & Showers design, manufacture and hire or sell all of our products. Because they know the intricacies of portable ablutions, the company can supply exactly what you need and advise if you are unsure of your requirements.

Ensuring their products are well maintained, clean and hygienic has been a number one priority for the company since its inception. By undertaking continual research and development, Instant Toilets & Showers ensure that they have the most modern and hygienic toilets and showers available anywhere in Australia.

As the WA distributors for the Polyjohn range, Instant Toilets & Showers can sell or hire you any type of toilet, shower, transportable toilet or ablution facility you might need. And for builders who wish to own their toilets during the course of their projects, the team at Instant Toilets & Showers can provide special, hassle-free packages at the best price.

A discounted rate for regular cleaning and servicing is available to all purchasers of a new toilet from Instant Toilets & Showers. Indeed, from initial purchase through to delivery, collection, regular cleaning and servicing and the storage of the units between projects, dealing with Instant Toilets & Showers is very much a worry-free and cost-effective experience.

Instant Toilets & Showers operates its own fleet of service trucks to ensure that a high standard of cleanliness and prompt, regular servicing is maintained for its customers.
