Quality Objectives and Quality Policy

1. Supplies Products and Services to its Customers with the objective of meeting and exceeding all their specified and implied requirements for quality, price and delivery.
2. Only purchases material, components and services from suppliers who have the capability of consistently meeting the Company's requirements for quality, as well as price and delivery.
3. Subjects purchased materials to sufficient inspection to ensure conformity to specified requirements including environmental and health and safety criteria.
4. Exercises control over all processes carried out, both by the Company and its subcontractors to ensure that the Company's Products and Services conform to specified requirements, while reducing internal nonconformances to an absolute minimum.
5. Provides facilities, training and encouragement to enable employees to ensure the Quality of their own work.
6. Maintains a Quality Management System that conforms to the requirements of ISO 9001:2008.

www.scavengersupplies.com.au

7. Carries out Reviews and Internal Audits on all aspects of its Quality Management System, including its objectives and policy at regular periods and takes effective corrective and preventive action wherever deficiencies in the system are found or where improvements can be made.
8. Maintains an ongoing Continuous Improvement Program for all aspects of its operations.
9. Maintains an efficient documentation and records system to provide objective evidence that the Company's Quality Management System is functioning in accordance with this Policy.
10. Provides an overall environmentally safe and healthy and workplace that promotes and pursues ongoing quality, health, environmental and productivity improvements.

STEALTH[®] GLOVES

RONIN[®]

Code: 481100
Size: 7, 8, 9, 10, 11
Ctn: 120

- Seamless 13 Gauge Black Nylon Shell
- Black PU foam coat provides excellent grip
- Soft, Durable & Flexible
- The ideal general purpose work glove

RONIN[®] "GRIP"

Code: 481110
Size: 7, 8, 9, 10, 11
Ctn: 120

- Seamless 13 Gauge black nylon shell
- Breathable, Lint Free
- Nitrile coated palm with dots for extra grip
- Water proof palm

Stealth White

Code: 488988
Size: 6, 7, 8, 9, 10, 11
Ctn: 120

- Seamless 13 Gauge White Nylon Shell
- White PU foam coat
- Breathable & Lint Free
- Ideal for small component handling especially in automotive manufacturing

Stealth Lite

Code: 481090
Size: 7, 8, 9, 10
Ctn: 120

- Seamless 13 Gauge White Nylon Shell
- Grey Nitrile Foam Coat
- Breathable & Lint Free
- Excellent Grip
- Ideal for small component handling

STEALTH – A new generation of HI TEC Synthetic Gloves

- Offering Comfort
- Seamless fit
- Fashion
- Better Protection

Stealth Razor 3

Code: 488970
Size: 7, 8, 9, 10, 11
Ctn: 120

- Seamless 13 Gauge *UHMWPE" Shell
- PU Coating provides excellent grip
- Breathable, Lint & Silicone Free
- Excellent all round protection

DISPOSABLE RESPIRATORY

*Protect yourself with a
"Mask"*

DEFINITIONS

Dust	Solid particles ranging from visible to non-visible to the naked eye usually resulting from grinding, sanding etc.
Fumes	Metal particles usually given off when welding, smelting or heating metals.
Mist	Small liquid droplets usually generated when spray painting or mixing.
Gas	Invisible airborne substances such as Carbon Dioxide, Chlorine, Ammonia etc
Vapours	Similar to "gas" but formed via evaporation i.e. methylated spirits

Mask respirators comply with AS/NZS 1716 where applicable.

* The Mask logo is a registered trade mark of Steel Drill.*
