

[Perth City Dental Surgery](#) is located in Perth CBD and offers many dental services. Since our inception 31 years ago, we have continued to provide our patients with dental services that exceed expectation.

As soon as you enter Perth City Dental's doors, you will find that our friendly and caring nature is at the forefront of our business. We are available to provide dental services for the whole family, and being a participating provider for a number of health funds, including HBF, BUPA and Australian Unity, you will find excellent health fund rebates, reducing the cost of your dental treatment.

We are committed to customer care and aim to make you feel as comfortable as possible during your visit.

At Perth City Dental, we offer a full range of dental services including:

- ❖ General Dental
- ❖ Cosmetic Dentistry
- ❖ Emergency Dental
- ❖ Preventative Care
- ❖ Treatment Planning
- ❖ Examinations

At Perth City Dental, we cater to your individual requirements and provide you with a dental plan that is right for you.

Our dentists, Dr John Marsell and Dr Kasia Miethke are both experienced dentists who understand the importance of receiving excellent dental care. We are gentle, caring professionals who can help you achieve your best smile.

We understand that appointments during work hours can be inconvenient for our patients. Therefore we are able to be flexible with our times and can arrange appointments before 8am if need be. We also enable ample time for dental appointments so we can run to schedule. No delays and convenient payment options cater for those with tight schedules.
