

## The Foot Clinic – Podiatrist Perth

[The Foot Clinic](#) is very proud to be recognised as one of Perth's leading Family and Sports Podiatry practices.

The Foot Clinic offers complete podiatry services for the entire family, from children, the elderly, athletes and sports enthusiasts, to diabetics and high risk feet.

Our Sports Podiatrists in Perth provide specialised treatment for soft tissue injuries, sporting injuries and mechanical conditions of the foot and lower limb using specific exercises, footwear and customised/prescription orthoses.

We also provide general podiatry services in Perth including skin and nail care, and specialised foot assessments for those who have diabetic or circulatory conditions.

We are conveniently located close to public transport and amenities. Private Health Fund and Veteran Affairs rebates apply to our services. Doctor referrals are only necessary for Veteran Affairs clients and Enhanced Primary Care (EPC) Plans (see your doctor to determine if you are eligible for this Medicare rebate).
