ABOUT FREELIFE HOMES

First Home Buyers Specialists in Perth

At Freelife Homes we are passionate about helping first home buyers and investors find the perfect home.

We are able to blend our passion for residential architecture with construction of the highest quality. At [Freelife Homes](#), our vision is to build affordable, impeccably designed and constructed homes for first home buyers in WA.

As we are a boutique residential first home builder, we understand that you are not just building a home, you are also building your future. When you choose to build a Freelife home you have the option to choose from our range of all-inclusive turnkey packages or stand-alone home designs. Our homes are designed and built to the highest standard of finish and at a price that will allow you to maximize your budget and your long term returns.

We have a number of options available to make the transition into your first home a little easier. While you choose the home that best suits you, we can arrange your finance, secure your block so you can enjoy the exciting experience of buying your first home while we iron out all the details. Our level of service to you is of the highest priority as we aim to work with you to achieve your desired results.

If you would like to learn more about Freelife Homes or would like us to help you build your future, call us today on 08 9347 1600.

House & Land packages in Perth

We offer affordable House & Land Packages and can build in any suburb in Perth WA, starting from just \$301,000 or \$309 per week.

[Freelife Homes](#) are the house and land package specialists. Our homes are built to the highest standard and are also available at affordable prices. We are passionate about helping first home buyers achieve their goals of owning their first home in Perth. With as little as 1% deposit, we can organise your finance and get you on your way to owning your first home.

Investment Properties in Perth

At Freelife Homes we have a strong background in not only property investment but also in development, design and construction. Our team at Freelife Homes have acquired expert knowledge and thoroughly understand the property market.

When you decide to invest in property, Freelife Homes are there to help you every step of the way. We can help you achieve your long-term financial goals which in turn can increase your net worth, reduce your taxable income and improve your quality of life by building a passive income. At Freelife Homes we provide a tailored, personable service and will provide you with an investment package that suits your individual needs.
