

Trophies, Awards and More...

Has your club finalised arrangements for your annual Presentation Night? Contact us today to discuss your requirements for trophies, medals, and plaques or to find out how we can help with fund-raising.

TROPHIES

We have a full range of trophies available from all leading suppliers. From basic participation trophies through to Best & Fairest or multi-tiered perpetuals, you'll be spoilt for choice regardless of the budget you have to work with.

RESINS

Resin trophies come in many different styles and sizes. These are a great alternative to the standard trophies but with comparable pricing. Also, as the designs change annually, there's always something different to put on the shelf to discern one year from the other.

CUPS

As per the trophies, we have a full selection of cups in different colours and materials available to suit any budget. Our range includes plastic, metal and crystal.

MEDALS

Medals are great as an affordable participation award or for special honour. Select from our range of off-the-shelf designs or talk with us about customising the design for you club.

SHIELDS, BOARDS & PLAQUES

Shields and boards are all about proudly displaying the history of the club. We have a range of standard shapes and sizes that can be laid out to your liking or we can custom-manufacture one. Plaques make a great award for individuals or thank-you gift to coaches and sponsors.

PROMOTIONAL ITEMS & GIFTS

What better way to show patronage to the club than having something with the club logo? We have a range of key rings, coffee cups, travel mugs, water bottles, mouse pads, steins and other items that can be etched or printed with your club's logo and information. These are great as membership gifts or can be used for fund-raising.
