

BCI Firth

ABOUT US

[Building Consultancy and Inspection](#) (BCI) is based in Como, Western Australia and provides a professional building inspection service to the Perth metropolitan and surrounding areas. BCI's service is available 7 days per week and offers a team of six qualified inspectors to carry out inspection of residential or commercial buildings. BCI offer peace of mind for your biggest investment.

Building Consultancy and Inspections (previously B.H.I) is one of the oldest and most respected inspection companies in Perth WA. From 1994 BCI Firth has inspected over 20, 000 properties. We have been doing inspections for property investors, retail and commercial properties, for homeowners and more across Perth's suburbs for over 20 years.

BCI Firth is run by John Firth (a builder and contractor) with over 40 years experience in the United Kingdom, Caribbean and Perth, Western Australia. John Firth's memberships include being a Registered Builder (No. 7632), Fellow of the Royal Institution of Chartered Surveyors, Australian Institute of Building Surveyors and Institute of Building Inspectors Inc (please see our website for more details).

OUR SERVICES

[BCI Firth](#) are an experienced team of professional inspectors. Our services broadly include residential and commercial inspections. Our team at BCI Firth are experienced, friendly, thorough, helpful and professional. Please do not hesitate to request a free quote today by calling or emailing us. Please see below for an overview of our services.

Each inspection includes a full inspection of structural items and a full written report. You can trust our fully qualified building inspectors and make an assessment of your

property that meets Australian national standards. You can take advantage of building inspectors' professional advice if there is any maintenance that must be done on the property. You also receive inspection on quality not just faults found.

Services we offer:

- Pre purchase inspections
- Coordinated timber pest inspections
- Pre sale inspections
- Progress or practical completion inspections
- Dilapidation surveys
- Strata Inspections
- Single item/problem solving inspections
- Owner-builder indemnity insurance inspections
- Certification Assistance Service
