

Bosston Auto Bodies – Ute Canopies

Established in 1993, [Bosston Auto Bodies](#) is fully Australian owned and operated. We manufacture aluminium canopies and tool boxes for utes and small trucks and distribute a large range of related products and accessories. We are committed to ensuring we supply a high quality of product and service at all times.

Our showroom is packed with a large range of accessories, ideas and helpful information. Showroom is open 8-5 Mon to Fri.. our product range includes canopies, toolboxes, roof racks, drawer systems, towbars, shelving reverse cameras, electrical accessories, water tanks and cylinder restraint systems.

The factories located in Cunderdin WA and Goulburn NSW, run on production line layouts and are set up to accommodate custom designs efficiently as well as our standard range of products.

At Bosston we believe in getting it right first time, quality checks are completed at the end of each process. Attention to detail is important to ensure the canopy becomes part of the vehicle and not merely a toolbox on the back.
