

THE BIN GUYS

About Us

At [The Bin Guys](#), we're more than just a bin hire and waste disposal service. We pride ourselves on being your local WA waste disposal company and provide exceptional service to our valued customers.

Our waste disposal service focuses on providing efficient and affordable bin hire to a range of commercial, industrial and residential customers with a strong focus on safety and environmental issues. Currently, The Bin Guys offer affordable waste disposal and skip bin hire to over 210 Perth suburbs.

We're proud to be a local Perth based company. That's why we employ West Australians and love supporting our local business and communities.

Our Products

[The Bin Guys](#) offer a wide range of waste disposal services. These include the removal of:

- General waste
- Building rubble
- Concrete
- Sand and dirt
- Green waste.

We have a selection of bin sizes to choose from depending on your needs. Our skip bins are of the highest quality to ensure that they are safe and efficient to use. We pride ourselves on delivering our bins quickly and neatly for your convenience.
