

NEW LEVEL HOMES

New Level Homes are a two storey home builder in Perth backed by Residential Building WA, giving home buyers access to decades of two storey builders experience in Perth.

New Level Homes use innovative construction materials that set them apart as Perth's Best Value Two Storey home builder with designs starting from \$228,499. New Level also offers a fast building process offering a 29 week build guarantee from slab.

With New Level you will be sure to find a home design to suit your taste and budget. All of New Level designs have street appeal and are sure to turn heads with home designs available for frontages starting at 9m.

New Level Homes have a two storey home display flagship centre located in Ellenbrook- only 35 min from Perth CBD.

Are you looking for the perfect two storey home design and builder in Perth? For more information visit New Level website <http://www.newlevel.com.au/>, call 08 9202 9300 or email info@newlevel.com.au. You can also visit their office at [65 Walters Drive, Osborne Park WA 6017](#).
