

[Foothills Denture Clinic](#) specialise in designing, restoring and creating the perfect denture to suit you. With over 40 years of experience, our friendly team at Foothills are happy to chat to you about your teeth and design a personalised denture for you. Foothills Denture Clinic are a family owned and operated business. Malcom and Raynee McArthur are a father-daughter duo who are both fully qualified as Dental Prosthetists. You are guaranteed exceptional service and professional advice when you visit Foothills!

Dentures

The right dentures can make a huge difference to your life. There's no need to feel self-conscious and worried with Foothills Denture Clinic. All of our dentures are made to look and feel as natural as possible. We make it our responsibility to sit down with you and go over any queries you may have regarding your dentures. We are certified to make both part acrylic and metal dentures. If your dentures are starting to become misaligned, are rubbing or hurting, stained or loose, then come see the team at Foothills Denture Clinic today! Don't put up with ill-fitting dentures for any longer.

Denture Relines and Repairs

We are happy to discuss any issues you may have with your current dentures free of charge. Not only does having the right denture mean that you can eat with ease, but they also look and feel better. For new dentures or denture realignment Foothills will individually select and position your new teeth to match your old ones, so they look as natural as possible.

Mouthguards

Whether you are currently playing a sport, about to take up one or have children who play, it is important to make sure you are fully protected on and off the field. Foothills also make personalised sports mouthguards. Our mouthguards are built to prevent and protect your teeth from unexpected circumstances. Each mouthguard is made uniquely for you from a mould of your teeth meaning that your mouthguard will fit perfectly.

Foothills Denture Clinic are a Medibank Members Choice Provider and HBF Participating Provider. We understand that each of our patients are uniquely different which is why we deal with Veterans Affairs and offer pensioner discounts. Our free consultation and same day service are just some of the benefits of choosing [Foothills Denture Clinic](#).

Contact Us
