

About Flex

For almost 20 years, [Flex Training Services](http://www.flextrainingservices.com.au/) has been providing quality training and ongoing personal development to the healthcare industry and other professionals.

Our training centre offers certificate courses in health services, aged care and a wide range of short courses to students in Perth.

Highly qualified professional trainers and assessors help our students achieve their career goals. Through hands-on experience, our students finish with the knowledge and skills needed to start a new career in the health care industry.
