

Send to

[Send To](#) makes sending flowers overseas easier than ever before. We can send your flowers directly from the grower to almost any location in the world.

No matter where you're sending to, we guarantee only the freshest flowers will be delivered to your recipient.

Send To flowers are fresh from the field and shipped whilst they're still in bud, ensuring they last as long as possible.

We deliver:

- [Australia wide](#)
- [To anywhere in the United Kingdom](#)
- [To these international locations](#)

We're more than just flowers, we can also send a range of gifts to accompany your floral arrangement. Make your flower delivery extra special by attaching one (or more of) of the following:

- [Hampers](#)
- [Wine](#)
- Cake
- Cookies
- Cheese
- Chocolate
- Teddies
