- Mouthguards
- Wisdom Teeth Extraction

### Anxious Patients

We offer treatment options so your treatment is in a relaxed, stress free environment.

At [Kelmscott Dental](#), we believe in always providing our patients with the information they need to make a decision regarding their oral health including the fact that any surgical or invasive procedure can carry risks. Before proceeding, you should seek a second opinion from an appropriately qualified health practitioner. For all other enquiries, please feel free to contact us directly.
