

The Curtain & Blind Company

Custom-fitted Window Furnishings

Australian-owned and operated, our family-run business has grown over three generations to become the go-to place for DIY window furnishings. Building on four decades of experience, we know the industry inside-out, with a wide range of showroom quality products. Our outstanding customer service gives you a consistent made-to-measure fit, both online and over the phone.

We've ditched the middleman; buying directly from the designer and manufacturer means we maintain competitive pricing. With a focus on design, our on-trend fabrics, styles and prints lift the look of any room, with an option to suit every budget. Fresh, modern and distinctive, furnish your windows with confidence and express yourself at home. Because we believe in our curtains and blinds, we offer a 2-year warranty, and a satisfaction guarantee on everything.

It's in the Name

Because every home is different, we want to give you the option to furnish your window with both blinds and curtains. With our premium service, quality products, easy installation and competitive prices, you can feel confident in our chic range of made-to-measure curtains and blinds, backed by over 40 years of industry experience.

Relying on our multi-generational experience, we manufacture on shore, with both local and international partners to offer quality and affordable custom-made, sheer and blackout curtains. Plus we have an incredible range of roller blinds, timber, timber-like and aluminium Venetian blinds, panel glide blinds, vertical blinds and shutters. The investment in your home is in safe hands.
