

Quality Exposed Concrete Solutions

EXCOWA Concrete Display – 87 Lindsay Street, Perth

Exposed & Honed Concrete has become the ultimate product for all decorative exterior flooring applications.

Our product will make the ultimate improvement to your living & working environment.

EXCOWA has a long history in creating the perfect finish for your outside environment.

With over 20 years experience in decorative concrete, we understand that your needs are specific and we seek to provide a customised solution for your next project. Making us the trade of choice for many upmarket display homes and architectural projects.

Being highly decorative, tough and durable, with low maintenance and versatility, exposed aggregate concrete has now become the preferred choice for architects, builders and home owners in relation to concrete driveways, alfresco's, pathways and swimming pool surrounds.

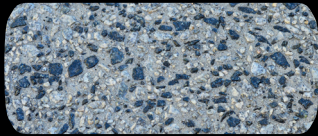

We pride ourselves on excellent service, quality installations and you can be assured that the work will be completed in a professional manner.

Our biggest clients are our referrals.
