

About Us

[Infinity by Dominator Safes](#) creates custom built, high quality safes to protect your most valuable items. Our bespoke safes are designed with the highest level of security, built with industry leading and certified fire protection and security measures for maximum protection against burglary and attacks. We don't compromise on quality either, Infinity only build the highest quality bespoke safes to ensure your valuable items, such as jewellery, watches and other valuables are well protected.

For decades, Dominator Safes have established a reputation as one of Australia's most trusted safe brands, and with Infinity you can now customise a high security Dominator Safe to make your own designer safe, perfectly suited to your needs. The possibilities are infinite.

Products

Create your bespoke safe with Infinity Safes. Choose your preferred model from the DS, FA or FX series by Dominator Safes and add your own customisations and personal touches to build your ideal safe. With endless configurations to choose from, the possibilities are infinite. You can also have peace of mind knowing that all Infinity Safes come backed with Australia's Best Warranty.

Infinity by Dominator Safes create custom built:

- Jewellery Safes
- Watch Safes
- Custom Vinyl or Leather Bound Safes
- Custom Painted Safes
