COMPANY OVERVIEW

At Venus, we specialize in providing highly professional business solutions such as bookkeeping, accounting, financial reporting and advisory services.

Businesses today are faced with new challenges every day and only the one, who survives, has the chance to reach their goals. We keep the business aware about these changes before they get catastrophic by providing timely and meaningful financial information to the management to make informed decisions.

Our Strategic Unit in Ahmedabad, Gujarat, India. ensures you have access to highly qualified resources that harness exceptional potential and knowledge.

DIFFERENTIATORS

Our Core Values influence who we hire, the clients we partner with, and the engagements we accept.

- **Meaningful Work** We are a Purpose driven organization with an aim to become a stronger economic force in the community.
- **Positive Attitude** We work with others the way we'd like others to work with us: with respect, tolerance, and good humor.
- **Honesty** Good news or bad news, we deliver it timely and tactfully, and expect the same from colleagues.
- **Passion** We put our Heart and Soul into our work, our communication, and our relationships every day.
- **Integrity** We handle every engagement with objectivity, due care, and confidentiality.

OUR DEDICATED RESOURCE MODEL

We provide experienced and qualified resources after considering business requirements. Deployment of resources are based on several considerations such as Nature and complexity of project, Process implementation, and level of experience needed.
