

# Woodworkers are the stock window specialists

Woodworkers stock Australia's largest selection of red cedar window sizes and styles. All our windows are made to proven joinery details incorporating Category 1 durability sills, non-corroding mechanisms and are glazed clear or with your choice of glass. All windows are available raw but most sizes can be supplied preprimed white or clear oil presealed. We also have hardware kit options that make the selection of keyed alike locks and handles simple. Standard windows are rated to N2 wind loads but can be upgraded with seals for more exposed conditions at a small additional cost.

woodworkers double hungs

## STEALSHIELD DOUBLEHUNG WINDOW SCREENS

Woodworkers exclusively stock a range of powdercoated stainless steel mesh screens to provide affordable insect, security + bushfire protection. Available in both timbergrain and white trim, Stealshield screens are designed to deter external intruders but are quickly openable from inside to permit cleaning, painting and emergency fire escape.

All genuine Surian Red Cedar · Hardwood Sills · 140mm Jambes · Clear Glass Warranted · Price includes Framing & Hanging on Whitco Spiral Balances If heavy duty Schlegel spirals are required add 25% to the raw list prices.

Woodworkers offer more stock sizes and designs in surian cedar double hung and hopper windows than any other supplier and can custom make any size or style if required, including heritage weight and pulley units. We usually carry all stock sizes factory pre-primed in white or clear oil to make finishing simpler. Standard double hungs are fitted with black Whitco spiral balances warranted by Assa Abloy.
