

# Reliable WiFi & Internet Support for Residential Sales & Rentals

Hello,

My name is Ben Ilett, Director of I-LETT.

We support residential real-estate agents, property managers, and landlords with fast, reliable WiFi, internet, and security solutions for pre and post sales, rentals, and tenant changeovers.

## What we help with

- Fixing poor or unreliable home WiFi
- Resetting and reconfiguring networks for new tenants
- Eliminating WiFi dead spots (double-storey, brick, older homes)
- Installing clean, professional home WiFi devices & camera systems

## All-in-one home systems

- WiFi, networking, and security cameras managed from one app
- Secure separation for family, guest, and smart-home devices
- Simple handover between tenants or owners

## Value add-ons & guarantees

- Lifetime workmanship guarantee
- Fully insured works
- Free annual camera cleaning & waterproofing
- WiFi neighbour-channel optimisation (reduces drop-outs)
- Emergency call-back within 1 hour (first month)
- On-site response within 2–4 hours, where required
- Ongoing off-site optimisation (reduces call-out fees)
- Free quarterly WiFi & internet diagnostic reports
